Present: **Board Members:** Dave Cousineau, Chair and Maggie Rice

**Call to Order 6:06 PM**

*Minutes* for March 27, 2017 approved and signed.

*Invoices* for Warrant #22 reviewed and approved.

**TRANSFER STATION**

- The log was reviewed.
- Email from Tracey Baronas saying Article 13 of the FY17 ATM says that the expenses that can be charged to the revolving include the operation of the town's solid waste and recycling programs, membership in and services by the FCSWMD, and the purchase of environmentally preferable products. So if it falls within that it would be fine with it as long as FY18 article says the same.
- A weather tight bulletin board will be delivered to Jim Lively for use at the transfer station from Waste Management under a grant program
- Jan Ameen is looking into magnets for the recycling program. When we get them we will be doing a mailing to residents along with the costs of not recycling.

**HEALTH SERVICES**

- Maggie will be attending the Title 5 Inspection on April 11<sup>th</sup> at 9:00AM at the Parent property on Shippee Rd.
- Permit issued to Jim Williams for Septic Installer
