

Town of Rowe FY2018

**Board of Health
Meeting Minutes for July 19, 2017**

Present: **Board Members:** Dave Cousineau, Chair, Maggie Rice, Dan Poplawski
Joanne Semanie, Clerk, Glenn Ayers, FRCOG

Call to Order 5:00 PM by Dave Cousineau

Minutes for June 21, 2017 approved and signed.

Invoices for Warrant #01 reviewed and approved.

TRANSFER STATION

- The log was reviewed.
- The tour of the Springfield Recycling Plant was cancelled. A meeting will be set up between the Transfer Station Attendants and FCWMC at a later date.
- The ramp on the compactor was completed this week by Steve Crowningshield
- Rowe Camp was contacted about trash being put in the recycle bins.
- The lilies have all been planted at the Transfer Station.
- Jim Lively worked 2 additional hours to cut the weeds around the Transfer Station

HEALTH SERVICES

- The Nurse Summary was reviewed.
- A motion was made to require the nurse to turn mileage sheets in monthly, passed unanimously.

PERMITS/PUMPING

- Rowe Camp and Conference Center was issued permits for all three camps.
- A 90 day extension on a Title V permit was granted for Yankee Atomic
- A Title V follow up inspection on 131 Zoar Rd failed. They will be contacted about replacement of their tank.
- Rowe Camp had their tank pumped and it looked fine.
- A Title V inspection of 43 Middletown Hill Rd. passed.
- A motion was made to grant a variance from the naturally occurring 4 feet of pervious material - CMR 15.240(1) for Alex Grod. Motion passed unanimously. Permission to put the septic on available property still needs to be received in order to issue permit. Stu Grod's contact info will be sent to Glen.

WATER TESTING

- Housatonic Testing results for Pelham Lake Park were reviewed. No issues.
- Testing for Avery Fountain, Town Hall, Rowe School and Pelham Lake water was all clear.

FRCOG

- Glen will be emailing the BOH whenever there is an inspection done on a Title V or perc test for a member to be present.
- Carol Lively has been contacted about the food permit at the school. She was not willing to do it. The Bill Knittle will be contacted about applying for the permit.
- The Park is in compliance with all of the laws required for having swimming lessons. No permit or inspection is required.

NEW BUSINESS

- A request was made that the BOH share their office with the Town Treasurer. All items for the treasurer will be secured in the office. IT will be transferring equipment. No objections were made. A key will be given to the office to Dan Poplawski.

OLD BUSINESS

- The rental property inspection letter was mailed and responses were received from all. The Rowe Camp house was inspected by Glenn and Maggie today, an application will be forthcoming. Debbie Katz applied online and will be inspected. Jean Claude van Italie called to say he was reviewing the best way to apply with his lawyer and would be in touch shortly. Will follow up.
- A letter about online permitting and recycling for a town wide mailing was reviewed and approved. It will go out in August.

ANY OTHER BUSINESS

- A report for the state was passed on to Glenn to fill out and return.
