Invoices were reviewed and approved.

TRANSFER STATION

- The log was reviewed.
- Jim Lively reported that someone had been at the Transfer Station using a key and dropped off 4 tires on rims and 2 bulbs. He doesn't know who it was. It was suggested a review of the key holders be made.
- Pricing for a porta potty for FY18's budget was discussed. With funds left from the ramp repair we will not have to request additional funding for next year's budget.

HEALTH SERVICES

PERMITS/PUMPING

- A perc test was performed at the Donovan property on November 15. Glen talked about the options available to them since a new septic system is not an option for them, possibly a composting toilet with a gray water system.
- Glenn and Maggie Rice did inspections Maple House, Rowe School and Debbie Katz's on November 15, all were fine.
- Van Italie's property still needs to be addressed. Another letter will be mailed to Jean Claude reminding him of this.

NEW BUSINESS

OLD BUSINESS
