Call to Order 6:05 PM by Maggie Rice

A motion was made to accept the minutes from the meeting of September 6, 2018, minutes were accepted as written. A motion was made to accept the minutes from the meeting of September 19, 2018, minutes were accepted as written.

The bills were reviewed and signed.

Transfer Station

-The log was reviewed.

-A PSA was received from Trinity Engineering concerning the water accumulation around the dumpsters. Engineering and permitting will cost \$6,300. Maggie will be bringing it up with the Selectboard after this meeting adjourns.

- Joanne Semanie looked into trail cams for the gate at the Transfer Station. It was decided to contact Julie Shippee about her experience with these cameras in other parts of town. She will be asked to attend the next meeting.

- The tags for the dump were further discussed. Notices will be sent to all residents that normally get stickers with applications for their hang tags. The tags will be numbered and the number will allow us to know who is using them.

Health Services

-The log for September was reviewed.

- The nurse put in a request for days off. The Board would like her to do a robocall in advance of days she will not be in.

Permits/Pumping/FRCOG

-Andrea Crete will be at the next meeting , we will be asking Dohn Sherman to attend. Andrea is helping to write a letter of contact.

Water Testing

- Water testing for Rowe School was reviewed – all good.

Old Business

Usage of the Gracy House and the condition of their septic system was discussed. There was discussion about doing a Title 5 Inspection and the consequences of failure. We will continue the conversation with Andrea on October 17th.
