April 3<sup>rd</sup>, 10 AM to 2PM

Double Edge Theater

948 Conway Rd, Ashfield, MA 01330

Join the Forest Climate Resilience Program in a workshop led by the Ohketeau Cultural Center. Understanding and Untangling Colonization is a workshop designed to understand better the devastating and ongoing effects of settler colonization within societies, communities, organizations, and conservation and discuss strategies to decolonize and become better allies and accomplices.
